Lincolnview Lancers Boys & Girls Basketball

Web: BoltSports.tv

Put your business in front of Lincolnview on game night.

This winter, Bolt Sports Report brings **Lincolnview Lancers home games, boys and girls, live on video** at BoltSports.tv and on Facebook Live, with approximately 20 games in the plans. Every broadcast has full-game play-by-play, an on-screen score bug, halftime, and postgame. Boys games simulcast with Rewind 102.9 radio. Girls games are Bolt Sports Report broadcasts.

Why a BSR sponsorship works

- **Lincolnview home games, on video.** Approximately 20 boys and girls games are in the plans, with your business on screen.
- **Boys and girls, both covered.** Girls basketball gets the same full broadcast treatment as the boys.
- **Hometown, not mass market.** Your logo goes in front of the families, alumni, and fans who follow the Lancers.
- **The game lives on.** Every broadcast stays up as a full-game replay, with your placement included, through the end of the 2026–27 season.
- **Support local kids.** A BSR sponsorship backs Lincolnview student-athletes every game night.

"Presented By" Logo (Video Presenting exclusive)	Your logo locked under the Bolt Sports Report watermark, on screen the entire broadcast, every game.
Pregame Open (Video Presenting exclusive)	Your logo and the first ad of the night in the opening minutes of the broadcast, the most-watched stretch of the stream.
Team Billing on the Score Bug (Team Sponsor exclusive)	"Lincolnview Basketball brought to you by [Your Business]" with your logo right next to Lincolnview on the score bug, every boys and girls game.
Halftime Sponsor (Team Sponsor exclusive)	Your logo on screen during the halftime break of every game.
Named Segments (1 owner each)	Starting Lineups, Player of the Game, Timeout, and End-of-Quarter, each "presented by" your business.
Rotating Sponsor Wheel & Break Card	Your logo cycles through the sponsor bar on screen and appears on the full-screen break card at every stoppage.
BoltSports.tv & Lincolnview Page	Your logo on the BoltSports.tv sponsor bar and the Lincolnview team page, linked to your business, plus your name and link in every game video description.

Want your name spoken on the radio for boys games, too? Ask about pairing with a Rewind 102.9 slot.

Boys vs. Girls Broadcasts

Boys games

Simulcast with our radio partner, Rewind 102.9. The on-air voice belongs to the radio broadcast, so BSR placements on boys games are **on screen** (score bug, presented-by logo, break card) and **your video ad plays during stream breaks**.

Girls games

Bolt Sports Report broadcasts, with no radio simulcast. BSR sponsors get **everything**: on-screen placements, video ads, and spoken reads on the broadcast.

Covering another school this winter? Ask about adding it to your sponsorship.

How It Works

1 **Pick your tier.**
Season or single game. Mix and match if none of the tiers fit exactly. The structure is a starting point, not a wall.

2 **Send your logo and a 30-second spot.**
Don't have a video spot? We can put one together from your logo, a few photos, and a script, or run an audio ad over your logo or flyer.

3 **You're on the air.**
Your placement starts with your first scheduled broadcast and runs through the end of the 2026–27 basketball season, live and on every replay posted that season.

Limited Inventory — 2026–27 Basketball Season

1 Video Presenting Sponsor, 1 Lincolnview Team Sponsor, one owner per Named Segment, and Season Supporters capped at 8. A smaller pool means more airings for your spot. Game Sponsors are single-game only and fill whatever is still open that week. Once a slot is sold, it's closed for the season.

Term & Scope — 2026–27 Basketball Season Only

Every sponsorship on this sheet, season and single-game, covers Bolt Sports Report's **Lincolnview basketball broadcasts for the 2026–27 season only** and ends with the final basketball broadcast of that season. Placements apply to Bolt Sports Report **video and scoreboard streams**. Radio-only broadcasts are not included. Placements cover both boys and girls broadcasts unless your agreement says otherwise.

Placement does not carry into baseball, football, or any other sport, and does not automatically renew. Renewal and first-refusal rights apply to the following basketball season only. Game replays and video descriptions posted during the season may remain online afterward, but placement beyond the 2026–27 season is not included or guaranteed. The broadcast schedule is subject to change. If a scheduled broadcast does not take place, that placement carries to the next broadcast of the same season.
